Soon-to-be fresh graduate with a Bachelor of Science in Information Technology focusing on web development. Seeking an entry-level position to employ technical competence, creativity, and problem-solving skills to design and construct compelling, user-friendly websites. Committed to providing solutions that fulfill client needs and improve user experiences. Eager to contribute to a dynamic company and gain practical experience in the field of information technology.

## WORK EXPERIENCE

Web Development Intern

March - May 2023

**ZionLab IT Consultancy**

- Assisted in the development and maintenance of client websites using HTML, CSS, JavaScript, and PHP.
- Participated in team meetings, sharing progress updates and contributing to problem-solving discussions.
- Participated in brainstorming sessions and contributed creative ideas for website design and layout.

Graphic Designer and Content Creator

2022-2023

**BISU Balilihan - Chosen Generation Organization**

- Created visually appealing graphics and designs for various marketing materials, including posters, banners, and social media posts.
- Edited and retouched photos and videos using graphic design software to ensure high-quality output.
- Stayed updated with industry trends and emerging design techniques to suggest innovative ideas for improving visual communication.

News Writer

2021- 2023

**BISU Balilihan School Publication - The Campus Access**

- Wrote compelling and engaging news stories, ensuring adherence to journalistic standards and ethical practices.
- Collaborated with photographers and editors to enhance articles with relevant visuals and ensure accurate representation.
- Covered a wide range of topics, including campus events, student achievements, academic developments, and local news.
